4.2 Library as a Learning Resource

4.2.1

Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Response:

4.2.1: Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Chetan Dattaji Gaikwad Institute of Management Studies Library is fully automated using Integrated Library Management System (ILMS) Koha Software with barcode technology. Version 22.05.06.000.CDGIMS is using Koha library management software from 2020. Through the KOHA library staff has become successful in reducing manual intervention in housekeeping operations which

includes acquisitions, serial control, circulations, report creation, etc. Koha software keeps all the transaction records & generates various reports which are useful for smooth library administration.

Online Public Access Catalogue provides a facility to search the collection of the library through Title, Accession no, Author, Publisher etc. Students and faculties can access the OPAC from a remote place.

CDGIMS library adapted & extended ICT trend in setting up digital library which has digital learning resources such as NPTEL videos & e journals. E library is set for access of e journal databases like J-gate, E books database like EBSCO & DELNET. The Institute is also a member of National Digital Library & NDL Club. Digital library is well equipped with multimedia facility.

The CDGIMS library is an epicenter of learning and reference, equipped with an excellent collection of over 8000 books in print & digital format on management and allied fields with print journals, E journals, Newspapers, multimedia Pc for Library, etc. The library spread over 101.83 Sq. mtr area and has spacious stocking area, well-ventilated spacious reading hall with sufficient capacity. The open access system, additional book facility for examination, display of new arrivals etc. are some of the systems adopted to enhance the utilization of library. Library subscribes many national & international journals & newspapers from English & regional language. CDGIMS library has various resources which enriches the collection. It holds collection of many Biographies, Autobiographies, Encyclopedia, Dictionary & many books from regional language or translations are available to cater the student who comes from rural background.

Library website also provides access to different initiatives supported by Government of India. This organization aims to create awareness about rare information resources available & gives free access for optimum utilization. To create awareness and toward an effort to inculcate the reading habit among students the Institute library conducts many activities like Reading Inspiration Day, Marathi Rajbhasha Din, etc.

At the Institute students & faculty members regularly visits library for various purposes. To measure the total walk ins in the library and reading hall, the biometric system is installed at the library entrance.

4.3 IT Infrastructure

4.3.1

Institution frequently updates its IT facilities and provides sufficient bandwidth for internet connection

Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth within a maximum of 500 words

Response:

The Institute has IT facilities as per the AICTE norms. In addition to this Institute upgrades its IT facilities timeto-time to prepare Students for today’s corporate world by giving them real-life experience. In this context Institute strives to align with rapidly changing technology in terms of IT facilities and related environment The institute has a well-equipped computer LAB with PC's of HCL brand, adequately supported by 35 Mbps leased line for seamless internet connectivity The institute has excellent nod less pc of NComputing. It is also equipped with a wide range of licensed system software and application software. The entire campus has WI-FI connectivity. Computer labs well connected to the internet help students and faculty to carry out their academic and other work. The institute has total 120 computers with a configuration of HCL dual core processor, 2 GB RAM 500 GB HDD (with dedicated 1:1 leased line connected with all computers) The institute also has two branded servers for data storage facility and online conducting the examination of SavtribaiPhulePune University LAN and network facility: The campus is connected with LAN by CAT 6 structured cabling Each and every computer has separate IO points. and patch cord cable. The institute has used star topology for entire campus. Unlimited Internet access is provided to Students and Employees at all the locations with 35 MBPS leased line. The Wi-Fi facility with 6 access points is deployed to enjoy the benefits of Internet access on mobile phones and related devices. Wi-Fi facility: The institute’s IT department extend the complete support to students. Wi-Fi zones created at various locations such as Reading halls, corridors. Staff and Students can access this facility on their Laptops by registering themselves. The institute has currently state of theart Wi-Fi access points to provide the Wi-Fi internet access through Wi-Fi zones. The institute is planning to extend this further to create and establish a Wi-Fi enabled campus. Intercom Facility: The campus is well connected with a well-planned Telecom Network with intercom facility. Two additional BSNL land line connections are available at admin office. Intranet, Internet, learning Platforms, computers available in the campus PCs exclusively available to students 120 PCs available in Library 2 PCs available in Administrative Office 5 PCs available to Faculty Members 10 Number of PCs in language lab 10 Number of PCs in Exam Control Room 1 Number of PCs in Class rooms 4 Number of PCs in Seminar Hall 2 Internet Bandwidth in Mbps 35 Mbps Internet Connection ratio 1:1 Printers available 10 LED TV 1 LCD Projectors 7 Biometric machine 1 Bar Code Scanner 1 Scanner 3
